Sir,

Subject - Payment of contribution of Rs 60/- towards the lighting charges of the Local Fund Dispensary, Sagar- For the year 1945-46.

+++

I have the honour to state that after electrification of the Local Fund Dispensary at Sagar with effect from August 1945, the Medical Probationer, in charge of the Hospital addressed the District Medical Officer, Shimoga, in the matter of requesting the marginally noted local bodies to bear their quota of monthly lighting charges at Rs 5/- P.M on the ground that the contingent grant allotted to the hospital by the Medical Department was found to be inadequate to meet the heavy expenditure involved every month

1) President District Board Shimoga
2) President, Sagar Municipality

Thereafter, the District Medical Officer, Shimoga, addressed the President District Board and the President Sagar Town Municipality in the matter of bearing their respective share in this connection

The Municipal Council, Sagar, first considered the subject at its meeting held on 24-12-45, when a resolution was passed to the effect that the Municipality might bear 1/3 share of the entire expenditure of Rs. 60/- during the current year 45-46- vide resolution copy enclosed for favour of reference

The president District Board, Shimoga who was addressed by the District Medical Officer in the matter replied in his letter No C 162/45-46 dated 8th February 1946, that the District Board was unable to bear their share in this respect, in view of their unsatisfactory financial condition The Board further passed a resolution to the effect that the entire lighting charges might be met by the Sagar Town Municipal Council

In view of this reply from the President District Board, the Sagar Town Municipal Council reconsidered the question at its meeting held on 17-2-46 and passed a resolution to the effect that the Municipal Council

council might bear the entire lighting charges for the current year 45-46

The entire expenditure on this account is proposed to be met from the closing balance at the credit of the Municipality

The Municipal President requests that sanction of Government may kindly be obtained to give effect to the aforesaid resolution of the Municipal Council

I am to add in this connection that considering the advantages to be derived from the Hospital in question both by the residents of Rural and Urban areas of the Sagar Taluk and in consideration of the small expenditure to be borne, I am of opinion that the District Board has to bear its quota in this connection at least with effect from the ensuing year 46-47 I am addressing the President District Board, Shimoga in the matter, seperately.

In the circumstances I request that sanction of Government may kindly be obtained to the proposal of the Sagar Town Municipal Council, for payment of [illegible] charges of the Local Fund Hospital at Rs 5/- . [illegible] effect from 1st August 45, till the end of the current official year 45-46, the expenditure being met from the closing balance of the Municipality. The entire records received from the President Sagar Town Municipal Council vide his report No.C74/45-46 dated 20-3-46 accompany.
